# MUHAMMAD ALI

## AT DAUGHTER'S WEDDING

It was one of the boxing legend's proudest moments. Though frail from Parkinson's disease, Muhammad Ali walked his actress daughter Rasheeda, 26, up the aisle at her Chicago wedding to restaurateur Bob

Walsh. "She's a beautiful girl," said Ali proudly. Rasheeda's twin sister Jamillah was maid of honour and the congregation of over 300 included their mother Khalilah (Ali's second wife) and his present wife Lonnie (left).
